

## HOW TO MAKE A

# Gingerbread House

### SUPPLIES

- 1 empty milk carton
- 6-8 graham crackers
- Frosting for icing (to "glue" candy on the house)
- Candy for decorating (gum drops, pretzel sticks, m&ms, etc)
- Plate (for the foundation)

### INSTRUCTIONS

- Gather all needed materials and get organized before beginning to assemble.
- It's best to have all of your candies, pretzel sticks, cookies and gingerbread house decorations in individual bowls or in a big paper plate separated each thing.
- Cover the table with newspaper or a plastic tablecloth.
- Place a milk carton on a plate.
- Smear frosting onto the side of your milk carton, covering all 6 sides.
- Stick on the graham crackers across the angled tops of the cartons to make the roof and 4 sides to make the walls and press firmly to attach.
- Using the frosting as a glue decorate the gingerbread house with candies.
- Post a picture to Woodburn's Facebook page or send it to [president@woodburn.com](mailto:president@woodburn.com).
- A winner will be selected and announced on the morning news show!

## COMO HACER UN

# Casa de Jengibre

### SUMINISTROS

- 1 cartón de leche vacío
- 6-8 galletas graham
- Glaseado para glaseado (para "pegar" caramelos en la casa)
- Caramelos para decorar (caramelos de goma, palitos de pretzel, m & ms, etc)
- Placa (para la base)

### INSTRUCCIONES

- Reúna todos los materiales necesarios y organícese antes de comenzar a ensamblar.
- Es mejor tener todos sus dulces, palitos de pretzel, galletas y decoraciones de la casa de pan de jengibre en tazones individuales o en un plato de papel grande separados cada cosa.
- Cubra la mesa con periódico o un mantel de plástico.
- Coloque un cartón de leche en un plato.
- Unte el glaseado en el costado del cartón de leche, cubriendo los 6 lados.
- Pegue las galletas Graham en las partes superiores en ángulo de las cajas para hacer el techo y los 4 lados para hacer las paredes y presione firmemente para unir.
- Usando el glaseado como pegamento, decora la casa de pan de jengibre con dulces.
- Publique una imagen en la página de Facebook de Woodburn o envíela a [president@woodburn.com](mailto:president@woodburn.com).
- Un ganador será seleccionado y anunciado en el programa de noticias de la mañana.

**Frosty the snowman** was a jolly happy soul  
With a corncob pipe and a button nose  
And two eyes made out of coal  
Frosty the snowman is a fairy tale, they say  
He was made of snow but the children know  
How he came to life one day  
There must have been some magic in  
That old top hat they found  
For when they placed it on his head  
He began to dance around  
Oh, Frosty the snowman  
Was alive as he could be  
And the children say he could laugh and play  
Just the same as you and me  
Frosty the snowman was a jolly happy soul  
With a corncob pipe and a button nose  
And two eyes made out of coal  
Frosty the snowman is a fairy tale, they say  
He was made of snow but he came to life one day  
There must have been some magic in  
That old top hat they found  
For when they placed it on his head  
He began to dance around  
Frosty the snowman  
Knew the sun was hot that day  
So he said, "let's run  
And we'll have some fun  
Now before I melt away"  
Frosty the snowman  
Had to hurry on his way  
But he waved goodbye saying  
"Don't you cry  
I'll be back again some day"

# Frosty the snowman

Oh the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
**Let It Snow! Let It Snow! Let It Snow!**  
It doesn't show signs of stopping  
And I've bought some corn for popping  
The lights are turned way down low  
Let It Snow! Let It Snow! Let It Snow!  
When we finally kiss goodnight  
How I'll hate going out in the storm!  
But if you'll really hold me tight  
All the way home I'll be warm  
The fire is slowly dying  
And, my dear, we're still goodbying  
But as long as you love me so  
Let It Snow! Let It Snow! Let It Snow!
